

INSPIRED ARCHITECTURE INSPIRES AWARDS!

THE DESIGN TEAM BEHIND 83 REDPATH IS PROUD TO HAVE BEEN AWARDED THE 2012 PEOPLE'S CHOICE AWARD FOR OUTSTANDING ACHIEVEMENT IN ARCHITECTURE AND DESIGN.

We're proud of 83 Redpath...and everyone involved in this exceptional condominium project.

An incredible sales success even prior to its construction, the residence is now complete and graciously accommodating all those who purchased.

The honour was just announced at the 8th Annual Pug Awards, Toronto's "People's Choice" Awards (out of 33 competitors) for Architecture, and accepted on behalf of Malen Capital and The Benvenuto Group by company founder and president, Mitchell Abrahams.

Now, with three exciting new projects launching in Montreal, we're hard at work, designing our next award winning project!
